Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach an apparatus for capturing and digitizing at least one analog signal derived from an event by sampling the analog signal at a high sampling rate, storing the analog signal in two or more memories and converting the samples to digital; the apparatus also comprises an output stage under the control of a digital processor for outputting the digital sample values, such that the receiving and conversion and the output of the digitized sample values are completed during the interval between consecutive events.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peguy JeanPierre whose telephone number is (571) 272-1803. The examiner fax phone number is (571) 273-1803.
